1. Overview

SYU Sri Lanka is a Flutter + Supabase membership app for State Youth Union.

Members register with email OTP (Gmail via Edge Function), complete a registration wizard, read news, RSVP to events, and chat. Staff roles manage members and publish content.

This sample demonstrates cover, clickable Contents, headers, footers, page numbers, images, and an end page.

Brand mark — assets/brand/syu_logo_full.png

2. Roles, flows & screenshots

Roles: Member · Division admin · District admin · Super admin (*admin@syu.lk*).

Key flows: Guest → Register → OTP → Home; Login gates (suspend / verify / force password); Admin → Members → Add member; Publish news/events.

Full catalogue: **docs/SCREENSHOT_GUIDE.md** (15 screenshots + 34 flows) · **docs/USE_CASES.md** · **docs/ARCHITECTURE.md**.
